Mr. Joseph A. Yager
DMF 819
State Annex 1
Department of State
Washington 25, D. C.

Dear Jos:

Here are two versions of the paper on LAC War Planning which we discussed in my office on Monday. As you will see, one is a formal staff study presentation and the other, an informal note. [redacted] favor the latter. I am inclined toward the former, but I am by no means a devotee of either form.

25X1A

Could we get together on 3 February at 3 p.m. in my office to compare notes?

Sincerely,

[redacted signature block]
